

All,

We want to welcome you to the 2009 District 15 Harescramble season. There are several changes to the D15 rules associated with D15 Harescrambles.

2009 COMPETITION RULE CHANGES FOR HARESCRAMBLES

Points Paying Classes: There are key changes in the displacement criteria for the Light and heavy classes. Keeping in line with AMA rules, the D15 will no longer differential between 2 and 4 stroke machines. The light class is limited to 86-200cc displacement machines while the Heavy class will include all machines 201cc-Open:

Light Wt A, 86-200cc
Light Wt B, 86-200cc
Heavy Wt A, 201cc-Open
Heavy Wt B, 201cc-Open

Mini Quad classes have been newly defined this season to follow the AMA youth class structure.

Year End Awards: Harescramble year-end awards will be based on rider's best fifteen (15) finishes of the H/S events scheduled for the year.

Rider Advancement: Any rider with an average of 21 or higher will be Advanced. However, a rider must finish in the top three (3) of their class in at least three (3) events to be considered for advancement. ***A minimum of five (5) class participants in an event is required for points and finish position to count advancement.***

Entry in the "C" class is limited to first year H/S competitors only. Riders who have achieved "A" status in another division of District 15 competition are not eligible to enter the "C" class even if they have never entered H/S competition previously. All "C" class participants will be advanced to the next level immediately following the conclusion of the season. **No petitions will be accepted.**

Visit www.amadistrict15.org for a complete listing of all D15 supplemental rules

ADDITIONAL INFORMATION

Stoney Lonesome MC will hold their second annual GP race on Saturday March 28th. Details and event information can be found at www.stoneylonesomemc.com

2009 HARESCRAMBLE SERIES

State Race Event Changes: D15 will NOT hold a single Indiana state race for 2009 and will NOT offer double points for any H/S event in 2009. A new championship known as the "**Hoosier Harescramble Championship Series**" will consist of a three race series (Bikes) and two race series (Quads) from SLMC, HTR and Plymouth for 2009. The Championship series events are highlighted in the included schedule with "HHS".
